## WORK EXPERIENCE

### Software Developer Co-op IBM

05/2020 - 08/2020

Toronto, Canada

#### Tasks

- Worked in an Agile and collaborative environment on the Cognos Analytics Mobile team
- Used React, React Native, MobX and TypeScript to develop anything from front end UI components to back end API's for both the beta and GA releases of the mobile iOS app
- Implemented critical, time-sensitive security features, such as Jailbreak detection, based on feedback from a penetration test
- Added VoiceOver support to enhance accessibility throughout the app
- Created quality unit tests using Jest and Node Tap to ensure code correctness

## PERSONAL PROJECTS

### Fridge Sensor (2017)

- Built a simple circuit using an LED light, a temperature sensor and an Adafruit Feather M0 Wifi
- Coding in C++ using Arduino, I made a program to detect and notify if the fridge has gone above or below the ideal temperature conditions
- If the temperature in the fridge is too warm, the LED light flashes; if it is too cold, the LED displays a solid light. Otherwise, the LED is off
- It connects to Adafruit.io and displays a graph that tracks the change in temperature every 2 seconds

## EDUCATION

### Honours Bachelor of Science in Computer Science

#### York University - Lassonde School of Engineering

09/2018 - 04/2022

8.04/9.0 GPA

#### Relevant Coursework

- Mobile Programming
- Fundamentals of Data Structures
- Introduction to Database Systems
- Machine Learning and Pattern Recognition
- Software Design
- Design and Analysis of Algorithms
- Operating System Fundamentals
- Advanced Object-Oriented Programming

## SKILLS

HTML, CSS, Javascript

React, React Native

Java, Eiffel and OOP

C, Shell Script, SQL

Git, JIRA, Agile

Mac and Linux OS

Microsoft Office

Adobe Creative Suite

Strong work ethic

Team leadership

Organized

Self-motivated

## ACHIEVEMENTS

### Captain of the York University Varsity Women's Basketball Team (2018 - Present)

Compete in the OUA and play 22 regular season games each year

### USPORTS Academic All-Canadian (2017 - Present)

Presented to varsity student-athletes who maintain a 7.5 GPA or higher during the academic year

### Dean's List Honour Roll (2019 - Present)

Lassonde School of Engineering

### Provost's Award at UBC Okanagan (2018)

Given to varsity student-athletes with a top 5 academic average

## VOLUNTEER EXPERIENCE

### PAWS Mentor (2019 - Present)

Mentor for first-year student-athletes at York to help ease their transition from high school to university

### Sport Council Representative (2019 - Present)

Take part in organizing various varsity sport initiatives and fundraisers for charity during the academic year
